Testimonials

"Thank you for your diligence, patience and initiative in helping us to achieve the desired result."

D Jaftha, Timber Logistics (Pty) Ltd

"Ford Motor Company has finally achieved its goal of reaching a BEE level 5. This achievement was through Xcelerate's dedication in preparing us during the interim verification audit to ensure that we were aligned with all the requirements for our annual verification audit. Throughout the audit there was clear communication on deadlines and expectations, and where clarity was lacking, they were sure to provide it accordingly.

Thank you Xcelerate for your commitment."

B Pejane, Ford Motor Company of SA

"We would like to thank your team for their dedication and hard work during our audit. They treated us like we were their only clients and ensured that as part of the audit we were educated and understood the various elements thoroughly. They were friendly, helpful and extremely professional. I can honestly recommend their services to all companies."

D van der Walt, Sumitomo Rubber SA (Pty) Ltd

"Excellent knowledge, proactive, delivered as promised."

S Soodyall, UPM Raflatac South Africa (Pty) Ltd

"We thank Xcelerate for valuable and professional guidance during our accreditation process, in a challenging environment of changing targets and scorecards. We recommend them for their high level of service."

S Muller, Sivest SA (Pty) Ltd

"Mondi engaged Xcelerate Verification Agency to provide workshops to educate Mondi Forestry contractors and employees on BBBEE legislation and the Codes of Good Practice. Xcelerate conducted themselves professionally and displayed excellent knowledge of the subject matter. Their service to us was outstanding and this was further confirmed by numerous acknowledgments received from our employees and contractors."

N Ndlovu, Mondi Forestry

"We decided to use Xcelerate Verification Agency for our BEEE audit this year as we found them to be most cost effective. To our delight, we found the consultants and staff to be well informed and super helpful, making a potentially painful process, stress free"

T King, Creighton Products (Pty) Ltd
